2. The whole enchilada, who has read? Who will be without me, not; who will be "the whole enchilada" not; who will be the whole me? I love you. Loving me -- to be made whole, will you be the healer of all mankind now? That is the question before you all.

3. Love me and be made whole healers all, at my knee not; for awhile, but very shortly, for a short time not, but as long as it takes for you to surrender wholly to be me wholly, whole, and healed again into the first estate of being me. Amen.
